

# Stay & Play

We are looking forward to seeing everybody at our Stay and Play session on Monday. Please wait by the large black gate and we will let you in.

Following the session finishing at 11.30am there will be a food taster session in the hall where there will be some samples of what is on offer for our school lunches. We just ask that all new children and parents leave by 11.50am.

# STAY & PLAY

We welcome your child to join us for 2 hours to play in our Early Years unit. The session will give an opportunity for your child to interact with other children, as well as the opportunity to explore the setting. They will also have a chance to get to know staff a little better and get a feel of life at Castledyke Primary!
